1. Dr. Nandi Ray

General Manager (M&T), ASC Ltd.

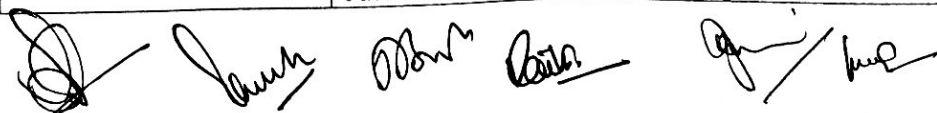

The Chairman, Departmental Bid Committee presided over the meeting.

The Managing Director ASC Ltd briefed that the fixation of rate and its approval is urgently required by ASC Ltd. for the larger interest of the farming community considering the sowing season of the seeds. He also stated that ASC Ltd. is unable to respond to the requisition of rate and quantity placed by the Agriculture Departments of North East States. Apart from Director of Agriculture/ Horticulture, ASC Ltd. shall also offer sale of the above mentioned items at the approved sale price to any indenting authorities from the state of Assam, other North East states, and states under Agro-Ecological Zone III of the country as mentioned in the bid documents. This rate shall also be valid for retail sale of the products in different sale points of ASC Ltd.

Dr. Nandi Ray, General Manager (M&T), ASC Ltd. submitted before the committee the comparative statement of Financial Bids of the provisionally responsive bidders in Technical Bids as per Minutes of the Departmental Bid Committee dated 02/05/2019 and 22/05/2019 for **Group-A1** along with detail calculation of EMD in relation to variety wise quoted value in the financial bid for scrutiny and verification of rates with the downloaded price bids of the bidders. The committee verified the price one by one and arrived at the decisions of rejecting the under mentioned price of the bidders and reasons thereof.

The Departmental Bid Committee indicated that Soyabean varieties MAUS-158 and VL Soya-65 quoted by bidders viz: Talukdar Seeds Company and M/s Shyam Enterprise are not reflected in the minutes showing the technical status of the above mentioned bidder due to oversight. Hence, the price quoted in the price bids of bidders needs to be incorporated in the comparative price statement. The committee also decided to keep the decision pending in regard to approval of rates of Blackgram seeds due to unavoidable reason.

After detail discussion, the committee recommended the following accepted L1 price quoted by the responsive bidders for Certified & Truthfully Labelled Seeds (Group-A1):

GROUP-B

The financial comparative statement along with the downloaded price bid of the bidders was placed in the Departmental Bid Committee.

The Departmental Bid Committee discussed about the single bidder/ rates of most of the variety of Hybrid Paddy, Hybrid Maize and Hybrid Sunflower. After a detail discussion, the committee arrived at the decision that since these Hybrid varieties are proprietary products, there is every possibility to receive single bid if the company participates itself or authorises a single firm to participate in the bid. In such situation, price quoted by the firm/company has to be accepted and approved. There may be more than one or multiple bids for a particular variety, in such situation, firm quoting lowest price will be accepted if all other conditions are fulfilled.

[Handwritten signatures and initials]

In the circumstances mentioned above, the single bid for Hybrid Paddy, Hybrid Maize and Hybrid Sunflower is accepted.

As per suggestion of Sr. FAO of Directorate of Agriculture, Assam the comparative statement for Hybrid Paddy, Hybrid Maize and Hybrid Sunflower are separated for the companies who authorised the dealers and companies who directly participated.

After detail discussion the committee recommended the following accepted L1 price quoted by the responsive bidders for Hybrid Seeds (Group-B):
