

MINUTES OF THE MEETING OF TENDERING/DEPARTMENTAL BID COMMITTEE ON THE TECHNICAL BID OF CERTIFIED SEEDS (Gr.A-II) AND HYBRID VEGETABLESEEDS (GROUP-C)

BID REFERENCE NO: ASC/MKT/RE TENDER/2018-19 & 19-20/3898 DTD: 05/02/2019

DATE: 11/06/2019

TIME: 11:00 AM

VENUE: CONFERENCE HALL, DIRECTORATE OF AGRICULTURE, KHANAPARA, GHY-22

Sri Manoj Kumar, IAS, Director of Agriculture cum Chairman Departmental Bid Committee presided over the meeting:

The meeting discussed in detail the different aspects of the technical bids which are summarised below:

A. Certified and Truthfully Labelled Seeds (Group A-II)

i) Participation in the bid:

The General Manager(M&T), ASC Ltd. presented the status of participation in the bidding process as follows:

1. Hard Copy submitted: 21 Nos.
2. Soft copy uploaded: 21 Nos.
3. Tender opened: 21 Nos.
4. Tender evaluated: 21 Nos.

ii) Confirmation of the Principal Certificate and Authorisation:

As per the decision of the Departmental Bid Committee held on 20th April, 2019 General Manager (M & T), ASC Ltd. to verify the veracity of principal certificates issued by various seed producers/ company (ies) to the participating bidders, G.M. (M&T) ASC Ltd. stated that the verification has been carried out, thus obtaining a copy of Principal Certificate from the sources and placed the report accordingly in regard to confirmation of the principal certificates. The committee examined and accepted the same.

iii) Standard of Truthfully labelled (T/L) Seeds

The meeting also discussed in detail about minimum standard of truthfully labelled seeds in accordance with Indian Minimum Seed Certification Standard. As the standard of T/L seeds is declared by the grower himself to ensure the quality of the seeds, it is decided in the meeting that the bidders who quoted for T/L seeds are to be considered as provisionally responsive and they shall be awarded contract only after submission of the analysis report from the respective State Seeds Certification Agency. The bidders who have quoted for coconut seedlings are provisionally responsive in technical criteria and will be awarded work order subject to submission of documents establishing the source of mother plant/nuts from the source of authorization.

iv) Seed Directory:

The committee decided that since the seed directory submitted by the bidders are incomplete, the bidders are considered provisionally responsive subject to submission of original seed directory at the time of receiving work order by the bidders as per the decision of the Departmental Bid Committee meeting dated.20/04/2019.

v) Gazette Notification:

G.M.(M&T) ASC Ltd.stated that some bidders have quoted certain varieties which are more than 10 years old as ascertained from date of gazette notification. Agriculture officers present in the meeting stated that there is no such specific bar regarding seed age except in few centrally sponsored schemes like NFSM and RKVY. Sri Dwijen Adhikary Assistant Director of Agriculture, Directorate of Horticulture & F.P. also stated that in vegetables and other horticulture crops there is no bar in using seeds more than 10 years old. Hence, the committee decided to make all the firms provisionally responsive (exact technical status as mentioned in the table below) who quoted for more than 10 years old variety and less than 10 years together and asked ASC Ltd. to sell seeds as per requirement and specification of the indenting authority.

- v) The bidders who have not quoted quantity against each variety, their bids are also considered provisionally responsive subject to quotation of quantity variety wise in the financial bid.

Evaluation Inference to firm, crop, variety, quantity, responsiveness etc.
